MULLEN-MITCHELL FIGHT.

Ten-Round Bout at the Frazer on Monday, October 24.

Barney Mullen and Jack Mitchell have been matched to fight 10 rounds at the Frazer opera house on the night of Monday, October 24. Mullen agrees to stop Mitchell within 10 rounds or forfeit the decision.

Both men have fought and won some hard battles and the fight is looked forward to as one that will be interesting. The bout will be under the auspices of the Pendleton Athletic club.

Barney Mullen a few weeks ago lost to Rufe Turner, the negro welterweight at the end of the 17th round of what was to have been a 20-round contest. The colored man, who is considered the best man in his class, secured the decision on a foul. Indian Joe Gregg was another of Mullen's antagonists. Mitchell is a Californian who has resided in Pendleton for four months. He is a lightweight fighter and has never lost a battle in this city. Kid Gilsey threw up the sponge at the end of the third round and Young Kid McCoy was knocked out in the sixth round by a right swing to the jaw.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Association Parlors Renovated.

The Commercial Association rooms, under Mr. Nye's directions and largely by his own labor, have undergone a complete renovating. The carpets have been taken up, cleaned and relaid, every book taken from the shelves, dusted and put upon the shelves, after the farthest nook and cranny had been cleaned and all the furniture has been washed. All the rooms are probably as clean now as any private parlor in the city. In addition, the ceilings and walls have been freshly kalsomined.

YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for. Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busy at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result. Send for sample to leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
